#### **DUBLIN PRESCHOOL AT SHANNON COMMUNITY CENTER**

11600 SHANNON AVENUE

#### 2014-2015 Schedule

#### Session II 12/1/14 - 3/6/15

Online registration is currently underway

Join us for a nurturing two or three day thematic-based preschool program with an exciting curriculum that's fun and engaging, and includes parent participation. Staff fosters a warm and caring environment, where each child is free to express themselves, learn new preschool skills, and simply have fun! Students are taught basic social and emotional development, language, communication skills, pre-reading, and cognitive processing skills. We also offer special activity days, both on- and off-site.

Proof of age is required for final acceptance of registration. Children must be fully potty trained—this program is designed for children who are completely responsible for their own toileting needs without diapers, Pull-ups, or disposable underwear of any kind.

This is a parent participation preschool program where parents are encouraged to assist in the classroom a minimum number of times as follows, depending on class selection:

#### Tuesday/Thursday two day per week students:

Parents are encouraged to volunteer a minimum of two times per session.

#### Monday/Wednesday/Friday three day per week students:

Parents are encouraged to volunteer a minimum of three times per session.

#### **Junior Kindergarten students:**

Parents are encouraged to volunteer a minimum of four times per session.

**All registered students will be assessed non-participation fees at the time of registration.** If a parent elects to work during a session, and is able to fulfill their minimum parent participation requirement, previously assessed non-participation fees will be rolled over towards future preschool session non-participation fees. Non-participation fees will not be refunded during a session, however, they may be refunded upon termination, or the end of the school year.

# 2014–2015 Parent Non-Participation Fee Schedule per session: Resident/Non Resident – \$60/Day

\$120 Tuesday/Thursday students

\$180 Monday/Wednesday/Friday students

\$240 Junior Kindergarten students

Non-participation fees for the 2014-2015 school year must be paid in full prior to the onset of the session. If the volunteer days are fulfilled, the non-participation fees will roll over to the next session.

# Special Reminders for the 2014-2015 School Year

- Students may now turn 3 or 4 years old by December 1, 2014 to be eligible for our preschool program.
- Students may not register for multiple preschool classes.
   Five-days-a-week preschool program is not available for the 2014-2015 school year.
- Session III is only open to currently enrolled students.
- Emerald Glen Preschool will remain at Emerald Glen Park until December 19, 2014. Beginning on January 5, 2015, classes will relocate to Shannon Community Center, 11600 Shannon Avenue.

#### Junior Kindergarten

Our Junior Kindergarten
has two focuses—it is
offered to students who are of

Kindergarten age to provide them with a strong foundation of cognitive and developmental curriculum in preparation for public Kindergarten (no assessment required). Junior Kindergarten may be offered to children who will be four at the beginning of the school year, and have already achieved a strong foundation of the cognitive and developmental abilities of Kindergarten-level academic challenges, based on our assessment and teacher recommendation. Children must be four by September 1 of the current school year, but not yet six. The assessment, along with teacher recommendation, must be completed prior to acceptance into Junior Kindergarten. Please email <a href="mailto:dublinpreschools@dublin.ca.gov">dublin.ca.gov</a>, or call (925) 556-4500 for an assessment appointment.

## MARTIAL ARTS

#### 🦰 Introduction to Martial Arts

This unique bi-weekly class develops a child's focus and concentration through drills used in martial arts. It's a fun and very active class which slowly introduces good posture, eye contact, respect, and discipline-all key components when a child is listening and conversing with an adult. In this program, the Instructor will relate the concentration and focus learned through classroom instruction to refine social skills. This program is for new students only and upon enrollment, students will also receive a free uniform!
